

Receiver Hitch

Universal

HTH BU 101

Parts

Hitch Receiver
Hitch Attachment
Pin
(4) 5/16 x 18-2" Bolts
(8) Washers
(4) Nuts

Installation Instructions

1. Locate frame on cart; use a jack to elevate cart
2. Center hitch underneath step plate. Note: Rear bracket will be between step plate and bag well.
3. Use hitch as template and mark holes. (See Figure 1)
4. Remove hitch and drill (2) 3/8" holes in front edge and (2) 3/8" holes in rear edge of step plate.
Note: Rear holes need to be drilled all the way through to the inside edge of bag well.
5. Mount hitch using included hardware.
6. Insert Hitch Attachment into Receiver, fix with Pin.
