

Piggy Back

**SCV UNV VWHT, SCV UNV VBGE,
SCV UNV HEA, & SCV UNV BLK**

Fits All Golf Carts

The Piggy Back is a stylish and durable cushion that straps to the back seat of the golf cart and provides enhanced comfort and support, allowing the driver to easily reach the steering wheel and pedals.

Installation Instructions:

1. Locate bolt that attaches the sweater basket to the roof strut. Most cart makes will have a bolt for both the driver's and passenger's side. (Figure1)
2. Remove nut from bolt and place grommet on strap of Piggy Back onto the bolt. (Figure 2)
3. Once grommet is on bolt, reattach the nut to the bolt.
4. Adjust Piggy Back for your comfort.

NOTE: If using the Piggy Back on a cart with a rear seat kit, some drilling may be required. Simply drill a hole in rear strut and attach with bolt and nut.
